

Saturday Delivery

Saturday Delivery has now been implemented for FedEx and Purolator with other carriers in development. This option permits the Saturday Delivery surcharge to be added where possible.

The image shows a screenshot of a web form titled "SHIPMENT OPTIONS". The form includes the following fields and options:

- Shipment Date: 2015-0
- Payment: Third Party
- Third-Party Account Number: [blank]
- Saturday Delivery
- Signature Required
- Customer References: 440991485

A tooltip box is overlaid on the "Saturday Delivery" checkbox, containing the following text:

- Deliver on Saturday
- FedEx**
- Valid for Domestic and International Shipments
- Purolator**
- Valid for Domestic Residential Addresses

Each carrier has differing restrictions for the service so verify that it applies by looking for the surcharge in the price breakdown and checking the estimated delivery day.
